

## **REMARKS**

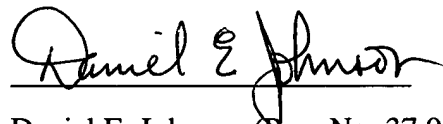

With this amendment, Applicant wishes to make minor changes in wording in Claims 27, 31, 56, 70, 80 and 81.

Claims 82 and 83 have been added to better claim the subject matter Applicant regards as his invention.

In addition, the specification has been amended to provide the complete citation of one reference and to make a minor change in wording in the summary.

Respectfully submitted,

S. Parkin
